Intensive program

10 days · in clinic only

5 × 750mg	**$3,460**

500ml hydration with each infusion

How often. We recommend starting with a loading dose of five infusions, either weekly or as an intensive 10-day program, then a top-up every 4–8 weeks for maintenance. Your nurse will talk you through the best option for you.

Paying. Afterpay is available on purchases up to $2,000. Packages can also be split into two separate payments.
